LB 407, 754, 759

SENATOR WEHRBEIN: Oh, I can't tell you the cuts. Senator Brashear might have that, if he's...on LB 754

SENATOR MOSSEY: Okay. Because I was just curious, with the cuts that have been made out of the bills already, I don't...

SENATOR WEHRBEIN: You mean the cutback in the revenue? Is that what you're talking about?

SENATOR MOSSEY: Right, that would have to be made up.

SENATOR WEHRBEIN: Okay. I think Senator Brashear might have that if Senator Landis isn't here.

SENATOR MOSSEY: Okay.

SENATOR WEHRBEIN: If you'd like to ask Senator...I think Senator Brashear would have that number.

SENATOR MOSSEY: Would Senator Brashear yield to a question?

SENATOR CUDABACK: Senator Brashear, would you yield?

SENATOR BRASHEAR: Yes, Mr. President. I hope.

SENATOR MOSSEY: I was just trying...between the bill...the Revenue Committee bill and you bill, LB 759, there's been portions that have been cut out, which, well, you started out with a certain dollar amount, then we ended up with exactly how much revenue would be generated from that bill then. Do we have a total on how much revenue would have to be made up from what's been taken out of all the bills that have been passed along so far?

SENATOR BRASHEAR: Well, I...LB 759 is somewhere in the neighborhood of \$340 million, plus or minus.

SENATOR MOSSEY: (Inaudible)...

SENATOR BRASHEAR: Was that responsive?
